Subject: revised draft for english requirement

hi kathleen h r u,

Im 3rd year international nursing student, studing at UTS. my secondary education is not english, but after that i studied my higher education in english more than 8 years and i full field english requirement as per university standards that`s way im now doing this program. i would like to say english is essential for profession, we are doing clinical practice in hospitels and getting satisfactory in all subject as well clinical under the suprevision of register nurse that means we were communicating, otherwise how can we pass. please dear my kindly suggestion is change reuirments of standers for registration.

thanking you

regards,

B.suresh(UTS student).
