### AUSTRALIAN NATIONAL GUIDELINES FOR THE MANAGEMENT OF HEALTHCARE WORKERS LIVING WITH BLOOD BORNE VIRUSES AND HEALTHCARE WORKERS WHO PERFORM EXPOSURE PRONE PROCEDURES AT RISK OF EXPOSURE TO BLOOD BORNE VIRUSES

The Communicable Diseases Network Australia (CDNA) has published these guidelines. The following is a summary of the requirements in the CDNA guidelines:

Healthcare workers who perform exposure prone procedures (EPPs) must take reasonable steps to know their blood-borne virus (BBV) status and should be tested for BBVs at least once every three years. They are also expected to:

- have appropriate and timely testing and follow up care after a potential occupational exposure associated with a risk of BBV acquisition
- have appropriate testing and follow up care after potential nonoccupational exposure, with testing frequency related to risk factors for virus acquisition
- cease performing all EPPs if diagnosed with a BBV until the criteria in the guidelines are met, and
- confirm that they comply with these guidelines when applying for renewal of registration if requested by their board.

Practitioners who are living with a blood-borne virus and who perform exposure-prone procedures have additional requirements. They are expected to:

- be under the ongoing care of a treating doctor with relevant expertise
- comply with prescribed treatment
- have ongoing viral load monitoring at the appointed times
- not perform EPPs if particular viral load or viral clearance criteria are not met (see detailed information in the guidelines according to the specific BBV)
- seek advice regarding any change in health condition that may affect their fitness to practise or impair their health
- release monitoring information to the treating doctor
- if required, release de-identified information to the relevant area of the jurisdictional health department/Expert Advisory Committee, and
- if required, release health monitoring information to a designated person in their workplace in the event of a potential exposure incident to assess the requirement for further public health action.

Additional information can be found in the CDNA Australian National Guidelines for the Management of Healthcare Workers Living with Blood Borne Viruses and Healthcare Workers Who Perform Exposure Prone Procedures at Risk of Exposure to Blood Borne Viruses available online at https://www.health. gov.au/resources/collections/cdna-national-guidelines-for-healthcareworkers-on-managing-bloodborne-viruses?language=en

# **CERTIFYING DOCUMENTS**

#### DO NOT send original documents.

Copies of documents provided in support of an application, or other purpose required by the National Law, must be certified as true copies of the original documents. Each and every certified document **must**:

- be in English. If original documents are not in English, you must provide a certified copy of the original document and translation in accordance with Ahpra guidelines, which are available at www.ahpra.gov.au/ Registration/Registration-Process.aspx
- be initialled on every page by the authorised officer. For a list of people authorised to certify documents, visit **www.ahpra.gov.au/certify.aspx**
- be annotated on the last page as appropriate e.g. 'I have sighted the original document and certify this to be a true copy of the original' and signed by the authorised officer,
- for documents containing a photograph, the following certification statement must be included by the authorised officer, 'I certify that this is a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me', along with their signature, and
- list the name, date of certification, and contact phone number, and position number (if relevant) and have the stamp or seal of the authorised officer (if relevant) applied.

Certified copies will only be accepted via the Online Upload Service at www.ahpra.gov.au/registration/online-upload. Photocopies of previously certified documents will not be accepted. For more information, Ahpra's guidelines for certifying documents can be found online at www.ahpra.gov.au/certify.aspx

## **CHANGE OF NAME**

You must provide evidence of a change of name if you have ever been formally known by another name(s) or if any of the documentation that you are providing in support of your application is in another name(s). Evidence must be a certified copy of one of the following documents:

- Standard Marriage Certificate (ceremonial certificates will not be accepted)
- Deed Poll
- Change of Name Certificate

Faxed, scanned or emailed copies of certified documents will not be accepted.

### **CONTINUING PROFESSIONAL DEVELOPMENT (CPD)**

CPD is a requirement of registration even if you are not working or are working overseas. You must complete at least 20 hours of CPD per profession each year. This must be relevant to your context of practice. If you were granted registration less than 12 months ago, your CPD requirements will be based on how many months you have been registered:

- 0–3 months, at least 5 hours
- 3-6 months, at least 10 hours
- 6–9 months, at least 15 hours or
- more than 9 months, at least 20 hours.

You must keep evidence of your participation. For more information, view the registration standard online at www.nursingmidwiferyboard.gov.au/ Registration-Standards and the guidelines at

www.nursingmidwiferyboard.gov.au/Codes-Guidelines-Statements

### **CRIMINAL HISTORY**

**Criminal history** includes the following, whether in Australia or overseas, at any time:

- every conviction of a person for an offence
- every plea of guilty or finding of guilt by a court of the person for an offence, whether or not a conviction is recorded for the offence, and
- every charge made against the person for an offence.

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history since you last registered with the NMBA as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made. The NMBA will decide whether a health practitioner's criminal history is relevant to the practice of the profession. You are not required to obtain or provide your Australian criminal history report, Ahpra will obtain this check on your behalf.

But if you have not given us certified proof of identity documents since October 2019, you will need to do this first. Any documents containing a photograph must be annotated with the statement *'I certify that this is a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me.'* 

You may be required to obtain international criminal history reports. For more information, view the registration standard online at

www.nursingmidwiferyboard.gov.au/Registration-Standards

and the requirements for supplying proof of identity and certified documents at www.ahpra.gov.au/Registration/Applying-for-registration/Proof-of-Identity and www.ahpra.gov.au/certify.aspx

- be signed and dated with a statement 'This curriculum vitae is true and correct as at (insert date)', and
- be the original signed curriculum vitae.

It must also contain all the elements defined in Ahpra's standard format for curriculum vitae which can be found at **www.ahpra.gov.au/cv** 

#### **ENGLISH LANGUAGE SKILLS**

To be eligible for registration you **must** be able to provide evidence that meets the NMBA's *English language skills registration standard*, which can be found at **www.nursingmidwiferyboard.gov.au/Registration-Standards** 

### FULL-TIME EQUIVALENT

**Full-time equivalent** represents average hours over a specific period which is equal to that of a full-time employee or student and is defined as 37.5 hours per week.

### **INFORMATION ON THE PUBLIC REGISTER**

Information in this form marked with an asterix (\*) indicates the information that will be displayed on the online public register of practitioners. If you believe that publishing information about you on the public register would pose a serious risk to your health or safety as a practitioner, please complete an *Application to exclude information from the public register* – *AEPR-00* available at www.nursingmidwiferyboard.gov.au/Registration-and-Endorsement/Forms

### **IMPAIRMENT**

The National Law defines impairment as 'a physical or mental impairment, disability, condition or disorder (including substance abuse or dependence) that **detrimentally affects or is likely to detrimentally affect your capacity to practise the profession**'.

But an illness or health condition that is safely managed is not the same as impairment, as these do not have a detrimental impact on your capacity to practise. Examples of what you do not need to declare include:

- wearing prescription glasses to correct your vision or hearing aids to correct your hearing, or
- seeing a psychologist for anxiety and following a treatment plan.

#### PRACTICE

Practice means any role, whether remunerated or not, in which the individual uses their skills and knowledge as a practitioner in their regulated health profession. Practice is not restricted to the provision of direct clinical care. It also includes using professional knowledge in a direct non-clinical relationship with patients or clients, working in management, administration, education, research, advisory, regulatory or policy development roles and any other roles that impact on safe, effective delivery of health services in the health profession.

### **PROFESSIONAL INDEMNITY INSURANCE (PII)**

You cannot practise the profession in Australia without PII. You must maintain it through your own private cover, your Australian employer or another third party, and ensure you understand it.

But you are not required to hold PII if you are unemployed or working overseas.

Remember, practising means using your skills and knowledge as a health practitioner in any paid or unpaid role in your profession.

For more information, view the registration standard online at www.nursingmidwiferyboard.gov.au/Registration-Standards

### **RECENCY OF PRACTICE**

You must maintain an adequate connection with your profession and regularly practise it after you qualify for or receive your registration. For nurses and midwives this means you have practised for at least 450 hours over the last 5 years. The NMBA's recency of practice requirements also apply to an endorsement for scheduled medicines or as a nurse practitioner.

If you are unable to meet the recency of practice requirements the NMBA requires you to submit evidence to support your re-entry to practice. Re-entry to practice may require you to complete specific education and/or supervised practice.

For more information, view the registration standard online at

www.nursingmidwiferyboard.gov.au/Registration-Standards and the re-entry to practice policy at www.nursingmidwiferyboard.gov.au/ Registration-and-Endorsement/reentry-to-practice.aspx

**On the date below or the date of the Board's approval, whichever is the latter** – this means your registration will start on the date you nominated, providing it is after the date of the Board's approval. If not, then your registration will start on the date of the Board's approval.
